Attachments: 2019-226-E & 2021-9-E - Notice of Oral Arguments.pdf

Dear Parties:

In response to the email filed in the DMS on this matter from the Office of Regulatory Staff, attached is a copy of the Notice of Oral Arguments issued and served by the Clerk's Office setting the virtual Oral Argument in this matter as directed in Commission Order No. 2021-608. The Oral Argument in these Dockets (2019-226-E and 2021-9-E) is on **Wednesday, September 8, 2021, beginning at 12:30 p.m.** There is also a scheduled hearing on the Commission's Calendar for September 30, 2021.

The requests/motions filed in these Dockets from the Office of Regulatory Staff (ORS) (dated August 26, 2021) and from Dominion Energy South Carolina (Dominion) (dated August 27, 2021) for reconsideration and changes to the existing procedural schedule and hearing set for September 30, 2021 related to the Dominion's 2021 IRP Update. Intervenors -- South Carolina Coastal Conservation League (CCL), Southern Alliance for Clean Energy (SACE), and Carolinas Clean Energy Business Association (CCEBA) – filed comments (dated August 30, 2021 and September 1, 2021) regarding the motions of ORS and Dominion asking the Commission to revisit its notice of hearing and prefilings schedule, and a related request by Dominion for a paper hearing on the 2021 IRP Update.

Please use the Survey Link provided by Staff Attorney David Stark to provide information related to all participating parties, or their representatives, in this oral argument which will begin at 12:30 p.m. on Wednesday, September 8, 2021. This information is needed so that the link will be sent related to the virtual oral argument. Remember parties or their representatives must connect with the system for any virtual hearing/oral argument at least 45 minutes to one (1) hour prior to the start of a hearing.

It is hoped that this shall clarify any issues related to the scheduled Oral Arguments in this matter on the procedural schedule and matters.

With kind regards, I am

C. Jo Anne Wessinger Hill
